

"Prophecy adds the particular to the general guidance of Scripture.

The Bible gives strategy, prophecy provides tactics.

God's past promises assured victory, but the when and the where had to be "enquired of the Lord" by consulting the prophets (2 Chron 18:6, 19:2, 20:20).

The Bible tells us

how to live but not where;

how to marry, but not who;

how to do our job, but not what job.

The sons of God are those who are led by the Spirit (Rom 8:14), as well as those who live by the scripture."
